1. COVID-19 IN PAKISTAN

- **24-hour recap:** Pakistan reported **1,453 cases** and **46 deaths** in 24 hours. Pakistan also conducted **51,343 tests** in the span of 24 hours (P.S. this data was last updated on October 7 at 8:25 am).

2. UK makes quarantine mandatory for travelers from Pakistan: Pakistan doesn't qualify as "fully vaccinated," according to the UK's vaccination requirements. The UK **doesn't recognize** the National Database and Registration Authority (NADRA) issued COVID-19 vaccine certificate from Pakistan. Travelers from Pakistan have to: 1) take a PCR test 72 hours before departure, 2) complete a passenger locator form, 4) self-isolate for 10 days after arriving, and 4) book a day two and day eight PCR test. Once the UK recognizes the NADRA issued proof of vaccination, and travelers from Pakistan are fully vaccinated with **one of the four UK-approved vaccines**, they won't need to take a pre-departure PCR test or self-isolate upon arrival. However, travelers will still need to complete a **passenger locator form** and take a PCR test on day two.
